

LIST OF PUBLICATIONS:

1. A novel approach for the synthesis of hydrogel nanoparticles and a removal study of reactive dyes from industrial effluent, Viran P. Mahida, Manish P. Patel, RSC Advances, 6, 21577- 21589, 2016. [I. F. : 3.84]

8. Regioselective one-pot three-component synthesis of quinoline based 1,2,4-triazolo[1,5-a]quinoline derivatives, Gaurav G. Ladani, Manish P. Patel, RSC Advances, 5, 76943-76948, 2015. [I. F. : 3.84]

9. Novel 1,3,4-oxadiazole motifs bearing quinoline nucleus: synthesis, characterization and their biological evaluation for antimicrobial, antitubercular, antimalarial and cytotoxic

15. Design and synthesis of new (bis)trifluoromethyl-promoted N-aryl biquinoline derivatives as antitubercular and antimicrobial agents, Mehul B. Kanani and Manish P. Patel, Medicinal Chemistry Research, 24,563-575 (2015) [I. F.- 1.612]

94. Glass fiber reinforced composites of coloured epoxy resin cured with different amines, Milan R. Patel, Manish P. Patel, Rashmika H. Patel, Ranjan G. Patel, Polymer and Polymer Composites, 10 (6), 441-446 (2002). [I. F.- 0.31]
