The Editorial Board of 'PRAJNA' invites Original Research Papers in the fields of Basic and Applied Sciences from Scientists, Engineers, Industrialists and Faculty and Research Students of Post-graduate Departments and Affiliated Colleges of Universities, and Research Laboratories in *Gujarat* for the Next Volume of PRAJNA (December 2009), *published by Sardar Patel University, Vallabh Vidyanagar.*

The papers for publication (not exceeding 15 typed pages) may be submitted in duplicate to Prof. T. V. Ramana Rao, Managing Editor, PRAJNA, B. R. Doshi School of Biosciences, Sardar Patel University, Satellite Campus, Vadatal Road, Vallabh Vidyanagar – 388120 OR to a Member of the Editorial Board who represents the author's broad research area with a copy of the paper to the Managing Editor latest by September 30, 2009. Submission of the soft copies of the papers (as per the file format shown below) through e-mail OR on a PC compatible CD-Rom along with the hard copies of papers would be most appreciated. The font for MS should be of Times New Roman with 9 point for Abstract and 11 point for other matter.

Short Communications and Announcement of forthcoming seminars /conferences /symposia / workshops to be held by the institutions in Gujarat will also be considered for publication.

File format for soft copies: texts and tables must be saved in *.doc (Word) or *.rtf (rich text) format, graphs in Excel and for illustrations (diagrams, maps, drawings, etc.), the TIF format (300 dpi minimal resolution) is the most appropriate (*.TIF or *.JPEG extension).

Instructions for preparation of manuscripts:

1. The paper should be written in English and neatly typed with double spacing on one side of the bond paper.
2. The title of the paper and the name(s) of the author(s) be in capital letters. The name of the institution be given in small letters below the name (s) of the author(s).
3. The 'Abstract of the paper, in not more than 150 words, should be provided on a separate sheet along with 4-6 keywords.
4. The sub-titles, e.g. INTRODUCTION, should be written in capital letters.
5. Displayed formulae, mathematical equations and expressions should be numbered serially. Table, if any, should be with a title in addition to a serial number for it.

6. Photographs / Figures should be original with good contrast so as to be in a form suitable for direct reproduction / scanning.
7. Original tracings of line drawings should be provided.
8. Footnotes are not normally allowed, except to identify the author for correspondence.
9. All figures must be numbered serially as they appear in the text, and their legends / captions should necessarily be provided.
10. References should be numbered in brackets [] in the order of appearance in the text. All the references in the bibliographic list must correspond to in-text references and vice versa. Abbreviated periodical titles should follow standard subject Abstracts. Names which are not listed by any standard subject indexing organizations should be spelled out in full.
11. All references should be clear and follow the examples below:

Periodical articles
