Semester: I
Subject: Constitutional Law-I

| | | | |
|-----------------------------|------------------|---------------------|-----------------------------|
| Course Code | UL01CLL52 | Title of the Course | Constitutional Law-I |
| Total Credits of the Course | 4 | Hours per Week | |

| | |
|--------------------|---|
| Course Objectives: | <p>Constitution Law of India is the mechanism under which the laws are to be made and not merely an Act which declares what the law is to be. The Constitutional law is the supreme law of the land. All other laws have to confirm to the Constitutional Law. The Constitutional Law contains laws concerning the government and its people. Constitutional Law of India has the following objectives.</p> <ol style="list-style-type: none">1. To provide understanding of basic concepts of Indian Constitution and various organs created by the constitution including their functions.2. To develop understanding of students regarding the various Constitutional Aspects such as Fundamental Rights, Fundamental Duties, Directive Principles of State Policy and fundamental freedoms.3. Students will be familiarized with the leading case laws and legislative changes to the provisions of the Constitution. |
