

**Requisition Slip for Analysis using 7 Station Diffusion Cell  
Apparatus combined with Microplate reader  
DST-PURSE Central Research Facility, Sardar Patel University**

---

1. Name of the Applicant: \_\_\_\_\_ (M) \_\_\_\_\_ Date: \_\_\_\_\_
  2. Name of the Research Guide: \_\_\_\_\_
  3. Name of the Department/University: \_\_\_\_\_
  4. No. of Samples: \_\_\_\_\_ (seven at a time)
  5. Physical Nature of sample: (Gels/Ointments/Cream/Lotion/Film)
  
  6. Details of the diffusion medium:
  
  7. Condition for analysis of sample (Temperature, rpm and sampling interval) :
  
  
  8. Types of measurement: (release of fixed concentration active substance at different time interval/ variable concentration of different samples at different time interval/ same concentration of different samples at different time interval)
  
  
  9. Charges for microplate reader will be extra
