

Requisition Slip for Particle Size Analyzer and Zeta Potential Measuring System

DST-PURSE Central Research Facility, Sardar Patel University

-
1. Name of the Applicant: (M) Date:
 2. Name of the Research Guide:
 3. Name of the Department:
 4. No. of Samples: (six at a time)
 5. Nature of the samples (Dispersion/Polymer solution/Micelles/Nanoparticles/Suspension):
 6. Dispersion Medium :Aqueous/Non Aqueous(solvent system) :
 7. Viscosity and refractive index of medium at measuring temperature:
 8. Expected distribution of particle size (monodispersed/polydispersed/mixed) :
