

Requisition Slip for Spectrofluorophotometric Analysis

DST-PURSE Central Research Facility, Sardar Patel University

1. Name of the Applicant: _____ (M) _____ Date: _____
 2. Name of the Research Guide: _____
 3. Name of the Department: _____
 4. No. of Samples: _____ (six at a time)
 5. Sample Description:
 - a) Detail of fluorescent ingredient present: _____

 - b) Solvent System used: _____

 - c) Excitation wavelength: _____
 - d) Emission wavelength range: _____
 6. Whether Solution is clear and transparent, hazy or turbid? (transparent solutions are only advisable): _____
 7. Chemical Nature of Sample (Acidic/Basic/Neutral/pH range etc.): _____
 8. Additional Information on structure i.e. functional groups that quench fluorescence, metal ion present if the samples are organo-metallic in nature etc.: _____
-

Signature of the Applicant
