

Requisition Slip for Preparative HPLC

DST-PURSE Central Research Facility, Sardar Patel University

.....

1. Name of the Applicant: (M) Date:

2. Name of the Research Guide:

3. Name of the Department:

4. No. of Samples: (six at a time)

5. Probable Name and structure:

6. Details of Analytical Method (HPLC) :

a) Type of column

b) Column dimension

c) Flow rate

d) Injection volume

7. Solubility and Solvent System:

8. Details of other analysis (IR, NMR etc.) of the sample:

9. Polarity of Sample:

10. Other details required for analysis:

.....

Signature of the Applicant
