The program schedule showing the actual proceedings is attached herewith as Annexure – I. The conference was inaugurated by Prof. A.K. Singh, IIT Bombay, Mumbai (Chief guest) in the august presence of Dr. Harish Padh, Patron and Honorable Vice Chancellor, S. P. University. Prof. Dr. D. I. Brahmbhatt, Chairman and Head of Chemistry Department and Prof. Dr. N. V. Sastry, Convener were also on the dias. The convener Prof. Dr. N. V. Sastry welcomed the delegates that also include resource persons and also invited guests. A comprehensive view of the topics to be covered and possible issues to be discussed was given. Prof. Dr. D. I. Brahmbhatt introduced the dignitaries on the dias. The proceedings of the conference were declared open by lighting up the lamp.</p> <p>Dr. A. K. Singh gave a keynote address. Dr. Singh gave a clear picture on chemistry research that we carry out from global perspective. He talked on Global Challenges–Chemistry Solutions, Frontiers of Chemistry - Allied Science Interface for improving the quality of life. He suggested that there is a need to do quality research that actually bridges the gap between the industry and academia and contributes to the development of the society. Keynote address was followed by the precedential remarks from Honorable Vice Chancellor Prof. Dr. Harish Padh. Prof. Padh advised the scientists to</p>
