2. Measures taken to complete the syllabus of courses and programs.	<p>During the year marred by the COVID-19 pandemic, Sardar Patel University has successfully dealt with the challenges in teaching, learning and examination complying with the guidelines and directives from the central and state governments updated time-to-time. Important measures taken by the university to complete the syllabus and conduct exams are as follows:</p> <p>1)Academic Calendar for teaching and examination was rescheduled as per the guidelines from the Govt. of Gujarat. 2)To complete the semester teaching as per the schedule, classes were conducted in online, offline and hybrid-mode in line with the emerging COVID situation and Government directives. Online classes were mainly conducted through Google Meet which is part of institutional G Suite (Google Workspace). MS Teams subscription provided by Govt. of Gujarat and Zoom platform were used for providing flexibility in conducting the classes. A well-established ICT infrastructure along with high-speed internet connectivity across the whole campus has been a strength of the university and it facilitated a smooth and hassle-free switch-over between all the three adopted modes of teaching as well as conducting the internal and external examinations. 3)Online lectures were recorded and shared with the students with a purpose of a)bridging the possible communication gap in online academic interaction and, b)helping the students who missed the regular online classes due to Covid related issues and technical issues due to internet connectivity at their end. 4)Apart from the textbooks suggested in the syllabi, additional study resources were shared to augment the learning and understanding of the courses taught. 5)Video lectures prepared by teachers of the university were uploaded on their YouTube channels and the information about it was disseminated among the students so that they access it conveniently. 6)WhatsApp groups were created for all the classes across all the programs for academic interactions among the students and teachers. These groups served the purpose of sharing information related to lectures, examination and addressing student grievances/difficulties. 7)All the examinations during the academic year 2020-21 were conducted almost in time either online or offline mode depending on the Covid-19 SOPs of the government. Online examinations were conducted smoothly with the help of professional services by private agencies where all the possible measures were taken for fair conduct during the examination. During the Covid unlock phase, the university took proactive steps to conduct offline examinations by helping outstation students with free boarding and concessional lodging in hostels. Measures were taken to ensure health safety of the students by complying with the Covid SOPs.</p>
