Dear Students

Welcome to Sardar Patel University!

Your decision to apply to Sardar Patel University Department/affiliated College/Institute for admission is an important one because Sardar Patel University:

- is a living monument situated in a region, where Sardar Patel, the architect of modern united India was born and raised, to perpetuate his sacred memory.

- is the first rural University in India which has made unprecedented contribution to the deferential pursuit of knowledge, and research.

- is having jurisdiction of Anand and Kheda Districts.

- has its 27 PG Departments, One constituent college and 148 affiliated colleges/institutes.

- is having 11 faculties viz., Faculty of Arts, Science, Business Studies, Management, Home Science, Pharmaceutical Science, Law, Homoeopathy, Medicine, Education and Engineering and Technology.

- is the State University in Gujarat, to be accredited with A grade (CGPA of 3.25 highest among all traditional state Universities), valid up to January 22, 2022.

- is proud of its achievements and confident about its potential with 7 of its 27 Postgraduate Departments recognized by the UGC under SAP/CAS, programmes.

- is only university in Gujarat to have the status of Centre for Excellence in Applied Polymers.

- is the first university to have signed a Memorandum of Understanding (MoU) with Prasar Bharati for the establishment of a Community Radio Station; accordingly the Community Radio Station has been functional.

- Is the only University in Gujarat to be allotted the Model Career Centre by the Ministry of Labour and Employment, GOI.

- Is one of the two state Universities to have status of Regional Library in Mathematics by National Board for Higher Mathematics, Department of Atomic Energy, GOI.

- is a university that has not only persistently engaged in the service, development, and upliftment of a rural populace in keeping with its original identity as a rural university, but has also kept in pace with the developments at the international level in modern disciplines like Applied Polymers, IT, Computer Application, Biotechnology, Genetics, Materials Science, Nano Technology, etc., as a part of its continuous curricula up gradation.

- takes pride in the fact that the contribution of many of its teachers to research in various disciplines has been taken note of and recognized at the national and international levels.

- has Agro-Economic research Centre (AERC) for the states of Gujarat and Rajasthan.

Surely, all of these achievements it has made, coupled with the fact that it is located in Vallabh Vidyanagar, is what makes this University one of the kind where you would want to study.

A green city "Vallabh Vidyanagar"

Vallabh Vidyanagar is a dream come true! Sardar Patel was a great visionary who spared time from solving problems at the national level, to ask Shri Bhaikaka to work for the villages so as to help transform and bring Charutar (meaning a beautiful land) to the centre stage in the country. The reason was Sardar Patel belonged here, and was worried about three things in the main: large-scale migration of rural masses to towns in search of gainful employment, education for their children, and health care.

Sardar and the Triumvirate

Shri Bhaikaka took up the challenge of rural upliftment in 1945 on the inspiration of Sardar Patel, and started working toward founding a township, and transforming a veritable wilderness into a habitation, and named it Vallabh Vidyanagar! Incidentally, the great Sardar's real name was Shri Vallabhbhai Jhaverbhai Patel, and the Vallabh in Vallabh Vidyanagar is Shri Bhaikaka's acknowledgement of his inspiration. Shri Vallabhbhai Patel came to be called Sardar Patel after Mahatma Gandhi gave him the title Sardar. Hence this University, established in Vallabh Vidyanagar 9 years after the founding of Vallabh Vidyanagar, was first named Sardar Vallabhbhai Vidyapeeth, and later on renamed as Sardar Patel University.

A busy national leader (Shri Sardar Patel) spared time from nation building to contemplate on institution building and inspired a successful engineer (Shri Bhaikaka) to give up his job in answer to a call of duty. Sardar's inspiration spurred on this Engineer's own inner urge to make common cause with a teacher (Shri Bhikhabhai) and, thanks to their mutual feeling of deep concern for grammodhar (rural upliftment), the duo jointly triggered off a revolution through the medium of academic and cooperative institutions. A retired ICS officer (Dr H M Patel), who had had a big hand in shaping the course of history of this country before and after independence, joined them in this crusade a few years thereafter to build and nurture institutions! All of it seems to be a fairytale today! However, unlike the world of a fairytale, this small educational township, bubbling with life, stands in silent testimony to the noble effort of this formidable triumvirate that changed the face of Charutar and brought it sharply onto the geographical map of India!

Uniqueness of the Landmarks

The story of the genesis and growth of two major landmarks, Vallabh Vidyanagar as an educational township, and Sardar Patel University as its leading light, is a saga of convictions and hard work that went into their making. However, its uniqueness lies in the fact that structurally and philosophically, it is different from institutions built on the tenets of Gandhian philosophy or that of Vinobaji's. The uniqueness of the structure engineered in the form of Vallabh Vidyanagar owes itself to a combination of the best of both in the East and the West, in a fine blend, as it were, and in the right proportion! The university was recognized under 2f of the UGC Act in October 1968, and has completed 60 Golden years of its existence that have brought Sardar Patel University to the forefront in terms of its academic excellence. No wonder, then, that efforts have been made either to emulate its example or to replicate it elsewhere in Gujarat.

Location of Vallabh Vidyanagar

Vallabh Vidyanagar is close to the Milk City of India (Anand) in terms of its strategic geographical location. Anand is on Vadodara-Ahmedabad line of the Western Railway in the heart of Anand District of Gujarat. It is well connected with the rest of the country by railway network, and roads. Due to its strategic location, it is flanked by two major cities of Gujarat: Ahmedabad and Vadodara, both of which have airports, railway junctions, and bus terminuses, making it easy for a visitor to reach Anand, and from there on to Vallabh Vidyanagar.

The distance between Anand and Ahmedabad is 75 kms by bus and 65 kms by train, and the journey takes an hour and a half or two hours at the maximum. Similarly, the distance between Anand and Vadodara is 45 kms by bus and 35 kms by train, and the journey takes 45 minutes or an hour at the most. Vallabh Vidyanagar is about 5 kms from Anand and 2 kms from Karamsad, the native place of Sardar Patel. The Express Highway between Ahmedabad and Vadodara has further reduced the time taken in travelling to slightly over an hour, and half an hour from Ahmedabad and Vadodara respectively.

The University Campus (including the main campus as well as 4 satellite campuses) is situated in the heart of a rural countryside against a lush green pollution-free

backdrop, offering all the amenities of modern life.

Why Sardar Patel University?

It is necessary in particular to understand that when you make the decision to study further, you need to choose (a) a course that meets with your aspirations or requirements, and (b) a place where you would feel happy and at home in terms of academic opportunities available, intellectual interactions, maximum study benefits, and day-to-day life as a student. If these are the things you would like, then Sardar Patel University is just the University you want. Moreover, it offers you a whole range of choices.

There are 26 Postgraduate Departments under the university and 50 PG Centres in the affiliated colleges/institutions. The teaching programme covered at Postgraduate level under various faculties such as Science, Arts, Commerce, Management, Engineering, Pharmacy, Medicine, Homeopathy, Home Science, Law and Education includes Postgraduate Degree Courses, Postgraduate Diploma Courses, Diploma Courses, and Advanced Certificate Courses. Undergraduate Courses are imparted by colleges/institutes affiliated to the University.

The Sciences, Commerce, Management, Social Sciences, Education, Library and Information Science, Law, the Humanities and Social Sciences operate under Choice Based Credit System (CBCS).

The courses offered are framed keeping in view the needs of the students, the society, and the employing agencies industry/organizations at the state, the national and the international levels. Besides conventional methods used for classroom teaching, modern methodologies like seminars, group discussions, visits to industries and institutions, and tools such as overhead projectors, interactive boards multimedia projectors and a variety of audio-visual aids are exploited for effective teaching and instruction.

With some of its strengths being listed above, who would not want to pursue further studies in a university such as this one?
