M.Sc. Microbiology Semester: III

Programme Outcome (PO) - For M.Sc. Microbiology Programme	<p>Programme specific outcome for M.Sc. Microbiology</p> <p>Students completing the MSc degree programme in Microbiology which is a two year full time program will be able to understand and explain various areas related to microbiology subjects like molecular biology, recombinant DNA technology and immunology.</p> <p>The student will be well versed with the concepts of aseptic handling techniques, maintenance and preservation of industrially as well as clinically important microbial cultures and correlate the molecular basis microbial physiology and ecology.</p> <p>The student will also be enlightened about application in different fields related to Microbial Technology</p> <p>Students will be able to design and establish a microbiology laboratory, they will be able to design the experiments related to basic microbiology, and perform biological assays using whole cells as well as enzymes and be able to identify microorganisms using biochemical as well as molecular identification techniques.</p> <p>Students will be able to execute a short project involving the knowledge and techniques of basic and advanced microbiology, biochemistry, cell biology and bioprocess engineering.</p> <p>The student will be skilled enough to be employed as microbiologist in fermentation industry, clinical laboratory, research and development organization, food and drugs administration, etc or pursue doctoral studies in any field of Biological sciences</p>
Programme Specific Outcome (PSO) - For MSc Microbiology Semester - III	<ol style="list-style-type: none">1. The student on successful completion of this Semester will gain indepth insight into molecular mechanisms of all processes taking place in Microbial cell.2. The students will also be able to correlate all biochemical events with cellular processes as well as how cells respond to several environmental stimuli.

To Pass	<p>(1) At least 40% marks in each paper at the University Examination and 40% aggregate marks in Internal and External Assessment.</p> <p>(2) At least 33% Marks in each paper in Internal Assessment.</p>
