Our Inspiration

Sardar Vallabhbhai Patel

31 Oct. 1875 - 15 Dec. 1950

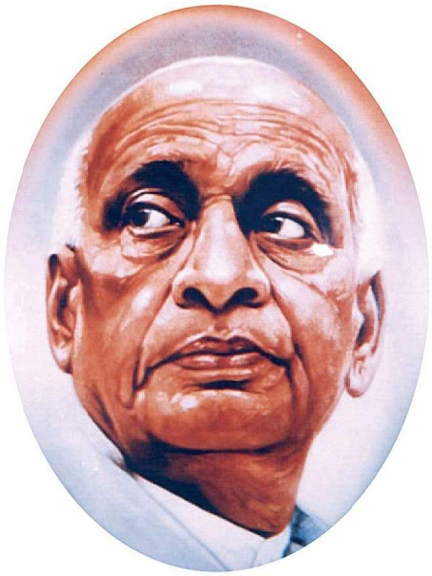

Iron Man of India, Unifier of Modern India

"The great ideal of geographical and economic unification of India, an ideal which for centuries remained a distant dream and which appeared as remote and as difficult of attainment even after the advent of Indian independence was consummated by the policy of integration..."

- Sardar Vallabhbhai Patel
in his address to the Constituent Assembly on 12 October 1949

"One of the greatest problems which India faces today is to rehabilitate its rural areas. It is largely from that point of view that we have set ourselves to the task of achieving a rural University (in Vallabh Vidyanagar) with a rural bias based on the principles of co-operation, self-help and self-sufficiency. The task is one before which much stouter hearts may quail, but thanks to the public spirit shown by the selfless band of workers, we are gradually progressing towards achieving success in this great experiment... *Gujarat has the unique distinction of having attempted to work Gandhiji's constructive ideas in a manner in which no other part of India has done. It is, therefore, fitting that these ideals should have found their exponents and enthusiasts there, who have turned a land infested by dacoits and robbers into a seat of a great experiment (which is Vallabh Vidyanagar today).*"

- Sardar Vallabhbhai Patel
15 June 1948

Education without character is of no value. We must be intent on producing citizens of free India, but not helpless ones loitering for jobs.

- Sardar Vallabhbhai Patel

A green city "Vallabh Vidyanagar"

Vallabh Vidyanagar is a dream comes true! Sardar Patel was a great visionary who spared time from solving problems at the national level, to ask Shri Bhaikaka to work for the villages so as to help transform and bring Charutar (meaning a beautiful land) to the centre stage in the country. The reason was Sardar Patel belonged here, and was worried about three things in the main: large-scale migration of rural masses to towns in search of gainful employment, education for their children, and health care.

Sardar and the Triumvirate

Shri Bhaikaka took up the challenge of rural upliftment in 1945 on the inspiration of Sardar Patel, and started working toward founding a township, and transforming a veritable wilderness into a habitation, and named it Vallabh Vidyanagar! Incidentally, the great Sardar's real name was Shri Vallabhbhai Jhaverbhai Patel, and the Vallabh in Vallabh Vidyanagar is Shri Bhaikaka's acknowledgement of his inspiration. Shri Vallabhbhai Patel came to be called Sardar Patel after Mahatma Gandhi gave him the title Sardar. Hence this University, established in Vallabh Vidyanagar 9 years after the founding of Vallabh Vidyanagar, was first named Sardar Vallabhbhai Vidyapeeth, and later on renamed as Sardar Patel University.

A busy national leader (Shri Sardar Patel) spared time from nation building to contemplate on institution building and inspired a successful engineer (Shri Bhaikaka) to give up his job in answer to a call of duty. Sardar's inspiration spurred on this Engineer's own inner urge to make common cause with a teacher (Shri Bhikhabhai) and, thanks to their mutual feeling of deep concern for grammodhar (rural upliftment), the duo jointly triggered off a revolution through the medium of academic and cooperative institutions. A retired ICS officer (Dr H M Patel), who had had a big hand in shaping the course of history of this country before and after independence, joined them in this crusade a few years thereafter to build and nurture institutions! All of it seems to be a fairytale today! However, unlike the world of a fairytale, this small educational township, bubbling with life, stands in silent testimony to the noble effort of this formidable triumvirate that changed the face of Charutar and brought it sharply onto the geographical map of India!

Uniqueness of the Landmarks

The story of the genesis and growth of two major landmarks, Vallabh Vidyanagar as an educational township, and Sardar Patel University as its leading light, is a saga of convictions and hard work that went into their making. However, its uniqueness lies in the fact that structurally and philosophically; it is different from institutions built on the tenets of Gandhian philosophy or that of Vinobaji's. The uniqueness of the structure engineered in the form of Vallabh Vidyanagar owes itself to a combination of the best of both in the East and the West, in a fine blend, as it were, and in the right proportion! The university was recognized under 2f of the UGC Act in October 1968, and has completed 60 Golden years of its existence that have brought Sardar Patel University to the forefront in terms of its academic excellence. No wonder, then, that efforts have been made either to emulate its example or to replicate it elsewhere in Gujarat.

Location of Vallabh Vidyanagar

Vallabh Vidyanagar is close to the Milk City of India (Anand) in terms of its strategic geographical location. Anand is on Vadodara-Ahmedabad line of the Western Railway in the heart of Anand District of Gujarat. It is well connected with the rest of the country by railway network, and roads. Due to its strategic location, it is flanked by two major cities of Gujarat: Ahmedabad and Vadodara, both of which have airports, railway junctions, and bus terminuses, making it easy for a visitor to reach Anand, and from there on to Vallabh Vidyanagar.

The distance between Anand and Ahmedabad is 75 kms by bus and 65 kms by train, and the journey takes an hour and a half or two hours at the maximum. Similarly, the distance between Anand and Vadodara is 45 kms by bus and 35 kms by train, and the journey takes 45 minutes or an hour at the most. Vallabh Vidyanagar is about 5 kms from Anand and 2 kms from Karamsad, the native place of Sardar Patel. The Express Highway between Ahmedabad and Vadodara has further reduced the time taken in travelling to slightly over an hour, and half an hour from Ahmedabad and Vadodara respectively.

The University Campus (including the main campus as well as 4 satellite campuses) is situated in the heart of a rural countryside against a lush green pollution-free backdrop, offering all the amenities of modern life.
