

1. Name : PATEL PARESHKUMAR BIPINBHAI
2. Designation : Associate Professor
3. Department : P.G. Department of Electronics
4. Qualifications : M.Sc. (Electronics)
5. Present Job Position:

Associate Professor in Electronics
Dept. of Electronics, Sardar Patel University, V.V.Nagar

6. Details of Experience: (Teaching / Laboratory / Industry etc.)

I have been associated, for the past 27 years, with the teaching, the curriculum design for the Choice Based Credit System (CBCS) and the implementation of various courses in the field of Electronics and related areas, both at the under graduate as well as post graduate levels. Being the teacher of electronics, I am familiar with the software as well as the hardware aspects of digital domain of education, in general and electronics, in particular. I have been routinely using the innovative pedagogical tools based on ICT both at classroom and laboratory levels. Since the degree of redundancy is very high in the subject of electronics, I have been regularly updating the courses of study in electronics and also, upgrading and implementing the state-of-the-art laboratory practices for the effective teaching and knowledge dissemination. I am adequately familiar with various educational innovations and technological applications for the development of audio/video content in organized forms, animations, simulations, video demonstrations, virtual laboratories, E- learning methodologies etc.

Some of the positions/responsibilities shouldered by me:

- i. Member, Purchase Committee of the Department. The committee looks after all the technical and financial aspects of the purchasing by the Department.
- ii. Member, Departmental IQAC Committee, which looks after the progress, attendance, discipline, academic lacuna etc. of the M.Sc. students.
