BBA(ISM) IInd SEM Examination

Friday, Date :29/03/2019

Time 2.00 pm to 04.00 pm

C Programming – (UM02CBBS03)

Total Marks: 60

- Q-1 [A] What are the different flow chart symbols? Explain need of flowchart. [08]
[B] Write an algorithm to find area of triangle. [07]

OR

- Q-1 [A] What is algorithm? Why we need algorithm? [08]
[B] Draw a flowchart to calculate minimum from two numbers. [07]

- Q-2 [A] Explain high level programming language in detail [08]
[B] What is Interpreter? Explain in detail. [07]

OR

- Q-2 [A] Explain low level programming language in detail. [08]
[B] What is compiler? Explain. [07]

- Q-3 [A] Explain Input & Output statements in detail. [08]
[B] Explain char & float data type in detail. [07]

OR

- Q-3 [A] Explain Assignment operator in detail. [08]
[B] What is Variable? What are the rules for declaring Variables ? [07]

- Q-4 [A] What are different looping statement? Explain any one in detail. [08]
[B] Explain 1-Dimensional Array in detail with example [07]

OR

- Q-4 [A] Explain different conditional statements in detail. [08]
[B] Explain 2-Dimensional Array in detail with example [07]
