Date: 15/03/2018

Total No. of students from whom the feedback is taken: Students having 80% or more attendance percentage.

Frequency: Once in a Program

Action taken...

- The students needed some practical practices for research report presentation, so they were informed and motivated by the faculties to take part in some national as well as international conferences and seminars to have experience of research report presentation. As a result, a number of students had participated in various conferences.
- Students demanded some detailed guidance on Child Psychology before going on their internship; therefore, an expert lecture on 'Child Psychology' was organized by the department.

- The students were almost satisfied with the performance of the teachers still the teachers are trying to make the teaching-learning more effective by using ICT. It was discussed and planned that more Online Quizzes and Tests will be prepared and taken in the next semester.
- Moreover, it was planned that from the next semester, novel teaching techniques like Flipped Classroom and Blended Learning will be used.
- The students had requested orally to the head to give a 5 to 10 minutes break between two online lectures which was implemented with immediate effect from the next day only by all the faculties of the department.
- Due to COVID-19, the use of library was difficult for the students in remote areas and they demanded some suggestive reference materials to read. For the above reason, a Google Classroom was created and the students were provided materials as well as YouTube videos related to the syllabus.
