Feedback Report on
39th Refresher Course on ICT Applications (14/11/2016 to 04/12/2016)
Organized by
UGC Human Resource Development Centre
Sardar Patel University
Vallabh Vidyanagar

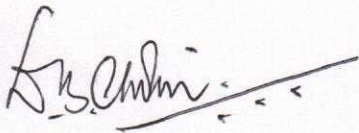

The 39th Refresher Course on ICT Applications, organized by the UGC Human Resource development Centre (HRDC) of Sardar Patel University, provided a necessary learning environment to the participants through comprehensive coverage of a wide spectrum of areas related to ICT applications, such as usage of Internet technology, Web technology, fundamentals of computer programming, features of software tools like SPSS, MATLAB, applications of ICT in various fields like education, agriculture, health care, artificial intelligence, computer vision, conducting online examinations, performing scientific computations using spreadsheets, basic concepts of database management systems, word processing, computer networking, data mining, computational biology, open source software technology, mobile computing, big data, features of popular operating systems like Windows and Linux, apart from sessions on e-content development.

An attempt was made to provide necessary background of the modern Information and Communication Technology (ICT) to enable participants to apply ICT to various domains of their interest.

Thirty three participants from various disciplines including arts, science, education, etc. attended theory and practical sessions conducted by various experts invited from diverse academic institutions during the refresher course. The participants of the Refresher Course were found quite interactive during various sessions. The participants also presented their work on applications of ICT to the domain in which they worked. The presentations delivered by the participants were evaluated by eminent professors in the field of ICT.

It is a matter of pleasure to take note of the fact that the Human Resource Development Centre could impress me with excellent follow-up procedures and documentation system. The staff of the UGC HRDC was found quite attentive and disciplined. The administrative staff provided the necessary help and arrangement to meet the noble expectation of good-quality knowledge sharing. The amenities provided by the UGC HRDC satisfied the participants and the speakers.

I feel great pleasure to state that my general impression about the Human Resource Development Centre has been very good. Working as a coordinator of the Refresher Course provided me a great opportunity to interact with experts, participants and the staff of the UGC HRDC.

ANNOUNCEMENT FOR 2nd PROFESSIONAL DEVELOPMENT PROGRAMME (PDP)

Smart Administration through Computer & Information Technology

(May 16 to May 21, 2016)

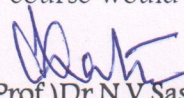

UGC Human Resource Development Centre is going to conduct six-days Professional Development Programme: **Smart Administration through Computer & Information Technology** following the guidelines of Knowledge Consortium of Gujarat (KCG), Ahmedabad and Rashtriya Uchchatar Shiksha Abhiyan (RUSA), New Delhi as per the revised dates during 16th to 21st May, 2016 (Monday – Saturday) at our centre. This programme is meant to improve the knowledge and skills of administrative and supporting staff of University Administration and targeted audience will be below the rank of Assistant Registrar i.e. OS/SO, Head/Senior/Junior Clerks and Assistants etc.

Objectives of this programme are to provide a platform for interactions and discussions about recent developments in the field of Academic Administration and equip the participants about the new challenges and roles to effectively execute dynamics of University Administrations. **General Coverage** of this programme includes the skill enhancement and knowledge up gradation in the area of administration and management. The coverage of this workshop is designed as per the DPR of KCG approved by RUSA to impart training in the areas of soft skills enhancement and e-administration. There will be specific need-based components based on the batch spectrum along with necessary emphasis on practicals and on hand experience. **Pedagogy** of this programme will include lectures and practicals, assignments and presentations and an exam.

I request you to depute administrative and supporting staff members below the rank of Assistant Registrar from your esteemed University to apply online for this programme. As this is a specially designed programme under the provisions of KCG & RUSA, at least 2-3 members from University departments are invited to participate in this programme.

Candidates are advised to fill online application form from our website www.hrdcspu.ac.in and send the filled-in application form with non-refundable registration fee of Rs. 1000/- as per rules through DD/Local cheque in favour of **"The Director, UGC Human Resource Development Centre, Vallabh Vidyanagar"** along with the duly forward before 13/05/2016. Also, prescribed application form can be downloaded from our website. The timings of the course would be from 10.30 to 05.30 p.m.

The DA will be provided as per rules.

ANNOUNCEMENT FOR 3RD PROFESSIONAL DEVELOPMENT PROGRAMME: DESIGN AND DEVELOPMENT OF INSTITUTIONAL REPOSITORY USING DSPACE (16th-18th January, 2017)

UGC Human Resource Development Centre has **rescheduled** three-day 3rd Professional Development Programme : Design and Development of Institutional Repository using DSpace as per the guidelines of Knowledge Consortium of Gujarat (KCG), Ahmedabad and Rashtriya Uchchatar Shiksha Abhiyan (RUSA), New Delhi during **16th-18th January, 2017**. This programme is targeted to include library and information science professionals/technical persons etc.

Aims of the PDP: This programme is intended to equip participants with skills for developing their own institutional repositories. There will be lectures as well as intensive hands-on training sessions by experts in the field. Thus it will provide both theoretical base and practical skill to the participants.

Objectives of the PDP:

The objectives of the programme are to provide:

- Guidelines for starting an institutional repository
- To provide hands-on experience in using DSpace software
- To make the participant able to start an Institutional Repository using DSpace

Areas to be covered:

The following areas will be covered in the programme and hands on practical training will be given in these areas:

- Introduction to Linux,
- Installation of Ubuntu (to dual boot along with Windows), understanding Ubuntu file system layout, creation of user and group, basic commands.
- Institutional Repositories
- Metadata and Metadata Standards

Announcement for Orientation Programme 12-11-2018 to 09-12-2018 (Four weeks)

This is for the kind notice of the concerned teachers that the UGC-Human Resource Development Centre of Sardar Patel University has scheduled UGC approved **Orientation Programme during 01-10-2018 to 28-10-2018** i.e. 24 working days(excluding Sundays) and 144 contact hours (Six hours a day) as per the UGC guidelines.

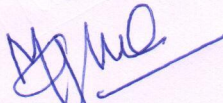

Newly appointed Assistant Professors within two years of continuous service and all those teachers who require orientation for getting a higher grade will be eligible for admission. Attendance in Orientation programme is must for their placement in the higher grade pay.

In order to make teachers an agent of socioeconomic change and put them in centre stage of national development, the programme will include lectures/presentation/deliberation on topics related to ethics, gender, marginalized communities and plagiarism in higher education. It will also include lectures on issues related to environment, service matters of teachers, research methodology, communication skills, information technology and microteaching. Broad cross discipline topics to motivate the trainees for development of interdisciplinary understanding and interest including basic legal awareness will also be covered in the programme.

20. FDP: Motivation for Quality & Impactful Research (Science Group)

Report of the Faculty Development Programme (FDP)
on

'Motivation for Quality and Impactful Research in Science'

03 - 07 December, 2018

The Faculty Development Programme organized by UGC-Human Resource Development Centre (UGC-HRDC) and IQAC of Sardar Patel University for the University Science Teachers as per UGC Guidelines has been successfully completed with an overwhelming participation from the faculty members of the science Departments of the University. The main objectives of the FDP included:

Motivation for Quality Research
Importance of Bibliography & Literature Review
Preparation of a good Research Proposal
Open Resources available for quantitative research
Computational aids for scientific research
Numerical data analysis and knowledge generation as the outcome
Scientific writing and reporting
Ethics in Scientific Research & Publications
IPR related Issues etc.

As per the objectives of the FDP and looking into the research and teaching experiences of the participants of the programme, well renowned professors and scientists from National laboratories, IITs and Universities within the country were invited as resource persons for this programme. There were 12 expert resource persons who have delivered and shared their valuable experiences relevant to the objectives of the FDP. The resource persons who have rendered their services and the title of the topic delivered during the FDP are listed below.

Session. No.	Name of Resource Persons	Organization	Title of the topic delivered
01	Prof. Shirish Kulkarni	Vice Chancellor, Sardar Patel University	Objectives and importance of the FDP in the present scenario
02	Prof. Biswajit Ganguly	Sr. Principal Scientist, Central Salt and Marine Research Institute, Bhavnagar	A Scientific journey in CSMCRI with computational approach to unravel the mystery in fundamental problems

18	Prof. Shirish Kedare	IIT, Mumbai	Renewable energy: Solar concentrator for Industrial Process, Heat and Power generation
19	Prof. Shirish Kedare	IIT, Mumbai	Participatory Technology design and development: concept and case study
20	Prof. Shirish Kedare	IIT, Mumbai	Idea Presentation for Collaborative quality Research Proposals by the Participants (Individual& Collective)

A total of 30 faculty members from different post graduate science departments have benefitted from this FDP programme which consisted of 20 sessions of 90 minutes each. Each session was followed by healthy discussions and question answers. It was informed to all participants during the very first session that as an outcome of the FDP, good quality research proposals from the participants are expected and the last session (extended up to

6:00pm) was devoted to the idea presentation for collaborative quality research proposals by the Participants.

This session was chaired by Prof Shirish Kedare of IIT Mumbai on 7th Dec 2018. During this session fourteen research proposals were presented with most of them in collaboration with participating faculty members from different departments. These proposals are listed below for the follow up actions. Each session was fully attended by the participants and most of them very actively interacted with the resource persons.

A feedback as per the HRDC rules was also collected from each participant after each session of the FDP. Looking into the feedback sheets, it is very evident that the resource persons were excellent and overall, the programme was very satisfactory and successful. The number of collaborative research ideas evolved is a clear outcome of the success of this FDP (Science). It was also felt that there is a need for routine interactions by the science faculty members of various departments of the University for evolving more interdisciplinary/multi disciplinary research ideas.

List of Research Ideas Evolved During the FDP (Science):

No.	Name of the Proposer/Collaborators	Depts. Involved	Brief Title of the Proposal
01	Dr. Dharmesh Raykundaliya, Prof G K Solanki, Prof K D Patel and Prof. Shahera S Patel	Dept. of Statistics Dept. of Physics Dept. of Electronics	Studies on Temperature dependent transport properties of some transition metal chalcogenide compounds and its error analysis
02	Dr. Viraj Reghelia, Dr. Anju Kunjadia	Dept. of Home Science CISST- Biomedical Science	Physicochemical analysis, antimicrobial activity of medicinal plant material and its application in formulation of food product
03	Dr. Namrita Kola DR. Anju Kunjadia	Dept. of Home Science CISST- Biomedical Science	Antimicrobial properties of some plant based product for application on Textiles
04	Dr. Vibha Vaishnav Dr. Sudhaben A Chauhan	Dept. of Electronics Dept. of Gujarati	Indian Renaissance as revealed in the literature of Poet Sundaram

Faculty Development Programme

"Motivation for Quality and Impactful Research in Social Sciences"

December 3rd to 7th, 2018 (5 days/One week FDP)

An in-house faculty development programme (FDP) for Social Sciences faculty members of Sardar Patel University was organised from **December 3rd to 7th, 2018** jointly by IQAC, Sardar Patel University and UGC HRDC, Sardar Patel University. The FDP was entitled "**Motivation for Quality and Impactful Research**" in social sciences for all the assistant professors of various faculties in social sciences. The Dr. (Prof.) Shirish Kulkarni, Hon. Vice Chancellor, Sardar Patel University was the sole guiding force behind conduct of the FDP.

The 5 day/ one week long programme comprising of 30 contact hours, was meant for motivating and inspiring participants to excel in research. The experts from industry and academics were invited to deliberate and share their research experience with participants of FDP. During the programme a total of 11 experts deliberated on the necessity and ways of doing quality research to motivate participants for impactful research. The experts also delved on economic model in India, statistical techniques, use of SPSS, conducting research, research writing, research funding, need to publish, stress management and role and responsibilities of higher educational institutions and teachers besides others.

The participants of FDP also submitted a research proposal as a part of their future plan. In all 34 participants attended FDP. The FDP was coordinated by a committee constituting of Dr. Yogesh C. Joshi, Head, MBA Department, Convenor, Dr. Sameer Patel, Professor and Ex-Head, Psychology Department, Dr. Ramesh Makwana, Head, Sociology Department and Dr. Jyoti Tiwari, Director, Computer Centre and Head, IQAC, Sardar Patel University. The HRDC Director Prof. Mahesh Yagnik and Sh. Tushar Majmudar, Incharge Registrar of the University were of all help and facilitated coordination of the programme.

Announcement for Refresher Course on ICT Applications in Higher Education 23-09-2019 to 06-10-2019 (Two weeks)

UGC-Human Resource Development Centre (UGC-HRDC) of Sardar Patel University has scheduled UGC approved **Refresher Course ICT Applications in Higher Education** from **23-09-2019 to 06-10-2019** for the period of two weeks as per UGC Guidelines.

Objective of this refresher course is to enable the participants of different disciplines to work together so as to accept the challenges of quality teaching and research. **Coverage** of this course would be the fundamentals of ICT and applications of ICT in various domains. Fundamental areas of the Information and Communication Technology (ICT) like computer programming, database management, computer networking, Internet technology, web technology, artificial intelligence and mobile technology etc. will be briefly covered. The course will subsequently introduce applications of ICT in education and research, agriculture, enterprise resource planning (ERP), healthcare, data mining, graphics and multimedia in addition to data analysis packages. **Pedagogy** of this course will include presentations, deliberations, hands-on practice and group discussion in the presence of experienced course facilitators.

The participants will be evaluated on the basis of their performance in multiple-choice objective tests, presentation, projects/assignments, participation and holistic response. A certificate supported with grade will be provided to the successful participants.

Interested candidates from all disciplines of higher education are encouraged to apply online for this programme and its filled version should be sent along with the non-refundable registration fees of Rs.1000/- through DD/Local cheque in favour of "The Director, UGC Human Resource Development Centre, Vallabh Vidyanagar" OR by Cash. A prescribed application form can also be downloaded from our website www.hrdcspu.ac.in forwarded application with registration fees should reach our office on or before a week of course commencement date. The participants are advised to apply as early as possible as limited seats are available. The timings of the course would be from 10.30 am to 05.15 p.m.

The selected participants will be supported by providing only TA (UGC 2F & 12B certificate), Reading Materials (Books), Limited Local Hospitality (including Guest House facility) etc. as per rules in force from time to time.

(Dr. Ashok Shanubhogue)

53rd Refresher Course on ICT Applications in Higher Education
(23rd September, 2019 to 6th October, 2019)**

**Organized by
UGC Human Resource Development Center
Sardar Patel University
Vallabh Vidyanagar**

The 53rd Refresher Course on ICT Applications in Higher Education, organized by the UGC Human Resource Development Center (HRDC) of Sardar Patel University, provided a nice learning environment to the participants through the comprehensive coverage of various aspects of ICT applications in higher education, such as use of the Moodle software in higher education, Internet technology, applications of artificial intelligence, usage of ICT in research, using ICT for document preparation, MOOCs, Database Management Systems, development of ICT applications using spreadsheets, statistical analysis through R, multimedia tools, cloud computing, Big Data, fundamentals of programming, cyber security, website development, wireless networks, basic concepts related to computer hardware, e-commerce, ICT applications in agriculture, fundamentals of computer networks, etc.

An attempt was made to provide necessary background of the Information and Communication Technology (ICT) to enable participants to develop and use ICT applications for their domain in an efficient manner. The course also covered various aspects of Massive Open Online Course (MOOC) - a popular mode of learning.

The participants of the Refresher Course were found quite interactive during various sessions. Thirty participants from various disciplines including Physics, Chemistry, Microbiology, Applied Physics, Pharmaceutical Science, Materials Science, Computer Science, Political Science, Commerce, Accountancy, Law, English, Hindi, Geography, Sociology, Social Work, Entomology, Physical Education & Sports, etc. attended theory and practical sessions conducted by experts invited from diverse academic institutions during the refresher course. The participants also presented their work pertaining to the domain of their interest.

It is a matter of pleasure to take note of the fact that the Human Resource Development Center (HRDC) could impress me with excellent follow-up procedures and documentation system. The staff of the UGC HRDC was found quite attentive and disciplined. The administrative staff provided the necessary help and arrangement to meet the noble expectation of good-quality knowledge sharing. The amenities provided by the UGC HRDC satisfied the participants and the speakers.

I feel great pleasure to state that my general impression about the UGC Human Resource Development Center of Sardar Patel University has been very good. Working as a coordinator of the Refresher Course provided me a great opportunity to interact with experts, participants and the staff of the UGC HRDC.

61st Online Refresher Course

**Teacher Educators: Learning outcomes and Educational Reform-Pedagogy,
Assessment and Quality Assurance**

(07-12-2020 to 19-12-2020)

REPORT

In the recent days, teachers have to play an effective role in the complete development of a student. This involves imparting knowledge, competencies and skills, along with counseling, developing innovative thinking, engaging them in research, consultancy and extension work, besides preparing instructional materials with the aid of educational and information technologies. Teacher has to be a friend, a philosopher, a guide, a counselor, a mentor, and a caregiver too. Good teaching is always passionate that induces an emotional response among students. An effective teacher evokes and encourages practical and analytical thinking, critical evaluation, constructive mindset and problem-solving skills that can be applied in a variety of settings. General Orientation and Refresher Courses are organized by UGC-HRDC, Sardar Patel University for promoting these values, commitments and creative ideals. In this very backdrop two week Refresher Course for Teacher Educators was organized by the UGC-Human Resource Development Centre, Sardar Patel University from 7th to December 19th, 2020 for college and university teachers in On-line mode on the theme Teacher Educators: Learning outcomes and Educational Reform-Pedagogy, Assessment and Quality Assurance .
