Report

I am pleased to share a report of women cell, Sardar Patel University, which outlines our achievements, milestones, and the progress made in areas of women empowerment and awareness over the last five years.

Women's cell was on the move throughout the five years with a range of activities. Total **58** Programs were conducted by women cells. An awareness and empowerment programs conducted such as blood check-ups, vision care, skincare, financial management, women involvement in financial decisions, women entrepreneurship, women's legal rights, gender equality, self-defence, Personality development, communication skill, computer skill development, etc.

Keeping in mind the importance of menstrual hygiene of the students, a sanitary napkin vending machine and a napkin disposing incinerator was installed in the student's washroom by us. Free counselling services regarding health, mental health, social problem, educational problem are being offered to girls. We have started Yoga classes for hostel girls every day. Jim also provided to them.

The women cell got an opportunity to collaborate with the west zone cultural centre, Udaipur, and conduct the National level Drama Festival. In this festival, women cantered drama performed by various groups from Jaipur, Bhopal, Delhi, Goa, Bihar, Mumbai, etc.

In collaboration with the Gujarat women's commission, we organized a seminar on women's rights.

On the theme of women empowerment, we conducted competitions such as Slogan, logo, essay writing, debate, photography, poster making, short film making, etc. More than 300 students participat

in it every year. Male and Female Students took part in it with zest and zeal. There was no gender discrimination.

We believe in creating good virtue of leadership in students. So we allowed students to conduct the programs. We also arrange creative workshops to develop creativity in students. Such as Rakhi making, Jewelry making, photography, collage, poster making, painting, etc.

Women cell's members gave talks on these topics to enhance understanding among the academic community about feminism, ecofeminism, Gender sensitization, etc.

Women cell is going to publish a **book 'Shodh labdhi'**. In the book 20 research papers compiled on the subject of Interdisciplinary study on women.

The covid19 pandemic has brought the crisis. Women are often the first to respond to a crisis; women cell immediately took a leading part in the Covid 19 response.
